

My One Page Profile

Your Name: Ian Hutchinson

Role: ICT Consultant

What people appreciate about me:

- I'm a positive, friendly, compassionate person
- I'm a good listener
- That I try to be as responsive as possible
- I have a passion for IT – I like to practise what I preach

What is important to me:

- My wife and 2 adult daughters are important to me
- Supporting my extended family
- Being outside and walking other people's dogs
- Developing my knowledge of new technologies/visions of the future
- Long distance cycling
- Supporting the local community
- Integrity and honesty are important values to me

How best to support me:

- Be aware of other time demands and pressures
- Lead me by a carrot rather than a stick
- I like to take ownership and develop things, whilst not necessarily being the leader
- Smile at me
- Take time to explain what you want from me, so that I can best help
