

# James Montgomery Academy Trust

## A little bit about us:

Our Trust has officially been in existence since 2016 and we have, in that time, grown from an initial group of 5, to now be working across 20 converted schools. All our schools are in the primary phase, encompassing primary, infant and junior, and are all based in South Yorkshire.

The Trust Board is determined to see a high performing and successful Multi-Academy Trust that delivers the very best educational experience for the pupils attending our schools. Our schools play a key role in the community supporting our families and offering our children opportunities to grow and thrive, academically, socially and emotionally. We want our children to be confident and resilient.
